

## **Environmental, Social and Governance (ESG) Statement**

At **Elevation Access Limited**, we are committed to operating responsibly, ethically, and sustainably across every aspect of our business. As a leading provider of access and scaffolding solutions, we recognise our duty to minimise environmental impact, protect the health and safety of our workforce, and uphold the highest standards of integrity and governance.

### **Environmental Responsibility**

We strive to reduce our environmental footprint through efficient fleet and equipment management, waste reduction, and the reuse and recycling of materials. Our goal is to lower emissions, prevent pollution, and continuously improve environmental performance across all projects.

### **Social Responsibility**

Our people are at the heart of everything we do. We prioritise health, safety, and wellbeing, ensuring all operatives are trained, competent, and supported. We promote equality, diversity, and respect, working collaboratively with clients, suppliers, and local communities to deliver excellence and build trust.

### **Governance and Ethics**

We maintain strong governance through transparent reporting, robust internal controls, and full compliance with UK legislation and industry standards. Accountability, honesty, and professionalism guide our decision-making and business relationships.

### **Our Commitment**

We are dedicated to continuous improvement, regularly reviewing our ESG practices to ensure that Elevation Access Limited remains a responsible, sustainable, and trusted partner within the construction and access industry.
